THE COMPLETE WORLD OF EDUCATION

01st September 2022

Letter of Support of World Cleanup Day
led by
Let's Do It India Foundation

In my capacity as the Vice-Chancellor of K.R. Mangalam University Gurugram, I am writing this Letter of Support to all the Faculties, Staff, Scholars, and Students of K.R. Mangalam University that I wholeheartedly endorse the World Cleanup Day led by Let's Do It India Foundation (<https://letsdoitindia.org/>) movement and I hereby acknowledge the 17th September 2022 as the "World Cleanup Day" (<https://www.worldcleanupday.org/>) (<https://www.worldcleanupday.org/country/india>) for the care of the environment and planet's ecosystem. It is also in alignment of the Swachh Bharat Mission of India.

KRMU understands that World Cleanup Day 2022 will be the biggest peacetime civic action in human history, engaging over 191 countries and millions of volunteers around the globe. The lack of social and corporate responsibility for waste pollution and especially its effects on the environment both on land and in the ocean, as well as its inevitable impact on health, hygiene, and poverty, continue to be a catastrophic problem in many countries.

This global mismanagement waste crisis requires our collective attention and actions. The situation can only be improved by increasing awareness and promoting socially responsible behavior on an unprecedented world scale if we are to prevent its disastrous and irreversible negative effects.

I hereby invite every Faculty, Staff, Scholar, and Student of K.R. Mangalam University to support, by all available means at their disposal, the campaign and initiative that will take place around the India and Globe in the frame of the World Cleanup Day on 17 September 2022.

I very much look forward to participating alongside you all, on this forthcoming World Cleanup Day on 17th September 2022 with full spirits.

Sincerely Yours,

Prof. (Dr.) Chandra Shekhar Dubey

Vice Chancellor
